Gateways to Empowered Ministry

The person and work of the Holy Spirit

17th - 21st April 2024

St Andrew's URC, Canterbury. CT1 2UA

Wednesday early afternoon to Sunday lunch time

Gateways to Empowered Ministry

Jesus entrusted his followers with a mission, and instructed them first to wait until the Holy Spirit had equipped them for the task. Yet many Christians today have little first-hand experience of the Holy Spirit's empowering work.

Our understanding and expectations may be limited by a lack of teaching. Our worldview might be influenced by assumptions and prejudices that are different from the Bible. Past experiences and hurts can make us wary. And so, sadly, we settle for much less than God intended in our discipleship.

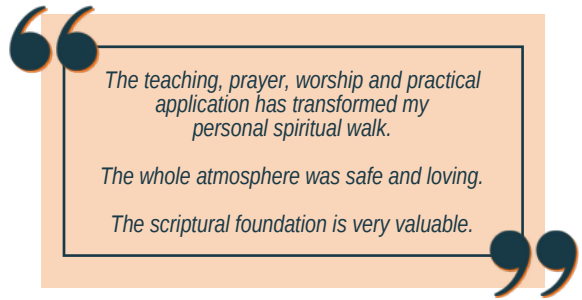

Learning from the breadth of Bible teaching, and looking especially at the example and teaching of Jesus, we will explore how Christians today can know the presence and power of the Holy Spirit themselves. Through Biblical teaching, discussion, practical experience and thoughtful reflection, you can grow in:

- Understanding who the Holy Spirit is
- Grasping four key works of the Holy Spirit
- Seeing how Jesus cooperated with the Spirit
- Being filled with the Holy Spirit for service

Join us for this life-changing event, and discover how much more God can do in and through you !

What's involved?

- Corporate worship and prayer, responsive to the activity of the Holy Spirit
- Systematic teaching, rooted in scripture and grounded in the realities of life
- Intentional transition from teaching to practice, helping participants learn through personal experience
- Debriefing, to deepen understanding and insights, and to model accountability

The teaching, prayer, worship and practical application has transformed my personal spiritual walk.

The whole atmosphere was safe and loving.

The scriptural foundation is very valuable.

This is the first in a series of six training events that equip Christians to fulfil the Great Commission and advance the Kingdom of God in the power of the Holy Spirit.
