# When Good News is not received

<sup>△</sup> John 15:18-16:4a

#### Introduction

Our context Post modern & Post Christian

John's gospel's context: Jesus & Disciples part of the normal Jewish culture

Note: "They" or "the Jews" = religious authorities

not - the Jewish people, but the ruling class

We need to read this passage as it was meant form them and then interpolate this for us in our culture

# The passage

The world hates and persecutes the disciples

<sup>△</sup> John 15::18-21

The disciples are now the friends and servants / slaves of Jesus

They represent Jesus in the world Therefore like Jesus is perscuted and about the be crucified They can expect the same treatment And they did receive the same treatment A lot of the apostles were persecuted and imprisoned or even executed The guilt of the world <sup>△</sup> John 15:22-25 Here the context of the world is the Jewish people and the Jewish authorities It is they that have sinned as Jesus presented himself to them as the Son of God Sin in John's Gospel Sin in the Gospel of John's terms is not only doing things wrong It is not accepting Jesus as the Son of God And therefore rejecting the Father as well This is particular for the Jewish people as Jesus has presented himself to them and they rejected him and therefore the Father Once you have accepted Jesus as your Lord (remain in me as I remain in you) all the other sins will be addressed when we are being sanctified The witness of the paraclete

John 15:26-27 However, this does not mean that Jesus will leave them to sort them out on there own He sents the Paraclete - the Holy Spirit Interlude: Paraclete: One called alongside to help. Functions: Advocate, Witness, Helper, Friend, Counselor, (Comforter, Consolorer Interpreter, Encourager, Intercessor, Mediator) So here the Paraclete witnesses/testifies And the disciples will testify because the they have been with Jesus, But also because the Paraclete enables them to witness/testify The near future persecution of the **Disciples** <sup>△</sup> John 16·1-4a This passage then describes the near future for the disciples after Jesus has been cricufied Putting out of synagogues they will be killed and the killers believe that they do God's will Like Saul did before he met Jesus and was renamed to Paul Why - because the Jewish authorities

But Jesus gives them this warning so that they can be prepared for it.

# The interpolation for today

#### The world still hates Christians?

More and more

Post Christian society

Politically correct: Everyone goes to heaven

A challenge of that is soon seen as hate speech

## The world still has guilt

#### Sin in John's Gospel

Again sin is not focused on behaviour, but on rejecting Jesus and the Father

While in the past someone could claim that the UK was a Christian nation

But more and more it becomes clear that they have rejected Christ and the Father

And live their lives accordingly to that worldview

### The religious authorities

There is now more division in the church about what the gospel means

Secularisation is also affecting the church's thinking

Some have difficulty with that Jesus is the truth and the life and the only way

Some churches focus more on the morality of Jesus then on his saving grace  One questions if they really know the Father and Jesus  This is a tension that we have in our current Church life. In the URC and in Canterbury  And it is difficult to navigate  The Advocate is still with us!  We are not alone  The Paraclete the Holy Spirit is still with us  He still witness to Jesus Christ, with us and through us  We can take heart of this  But also we need to ask the Holy Spirit to help us  As we cannot do this on our own  Love vs Hate  But we also have to remember why the world hates Christ  Because he extends his love to them  It is easy to respond to hate with hate  And that is the world's way  But we do not belong to the world, we belong to Jesus and the Kingdom of	to the rather

to the Father

#### God

It is by testifying to and demonstrating Jesus love to the world, that this is the response (in general)

But we are to respond with Love

I gave you this command that so that you may love one another

<del>△</del> v17

For God so loved the world that he gave his only son, so that whoever believes in him may have eternal life

And therefore like the Father and Jesus loves the world, we also need to love the world and respond to the world with love, even though hate may be returned

#### Do not isolate

One response would be to isolate ourselves - become a nice Christian island in the see of non or anti Christianity

But that is not what Jesus wants us to do

If that was the case the disciples would not be persecuted, as a little island won't affect the world

No we are to be salt and light in the world

We are to be in the world, while we are not off the world

We need to be out there, and not in here
Yes, we can come here in order to be be rested, strengthened, and comforted
But Jesus calls us to be out there
To witness and to let the Holy Spirit witness through you
That is scary
It was scary for the disciples
But we, like them, have the Holy Spirit too - the Paraclete
Amen.
